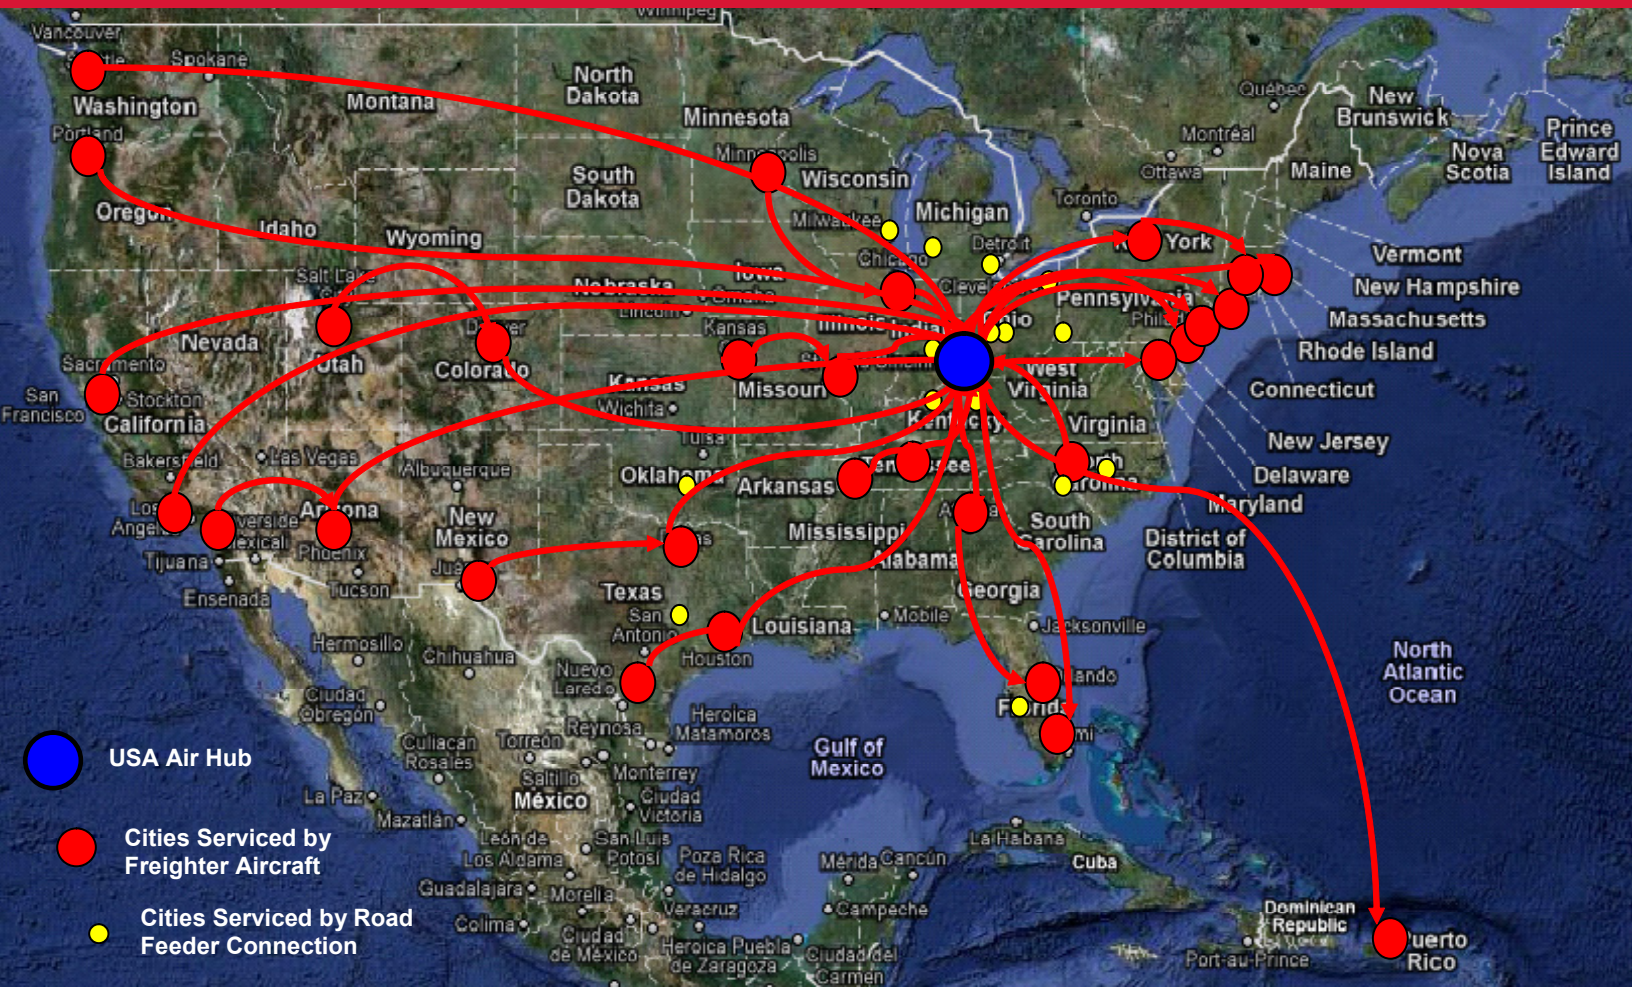
DHL GLOBAL FORWARDING

GOT LIFT? DEFINITELY.



Services available between all locations in the Continental United States, Alaska, Hawaii and Puerto Rico.

- **Next Flight Out**
- **Next Day AM / PM**
- **Second Day**
- **Third Day**

Put the power of DHL Global Forwarding to work for you. Our fleet of cargo aircraft operates around the clock to support your critical heavyweight air requirements. No other freight forwarder combines the flexibility your business requires with the reliability of dedicated freighter capacity covering all major U.S. cities on a daily basis.

Tell us what you have, where you want it delivered and when. Our trained logistics professionals will take care of the rest.

FLEXIBLE? DEFINITELY.

PRECISION DELIVERY

- Inside pickups and deliveries
- Appointments and time windows
- Weekends and after hours
- Liftgates

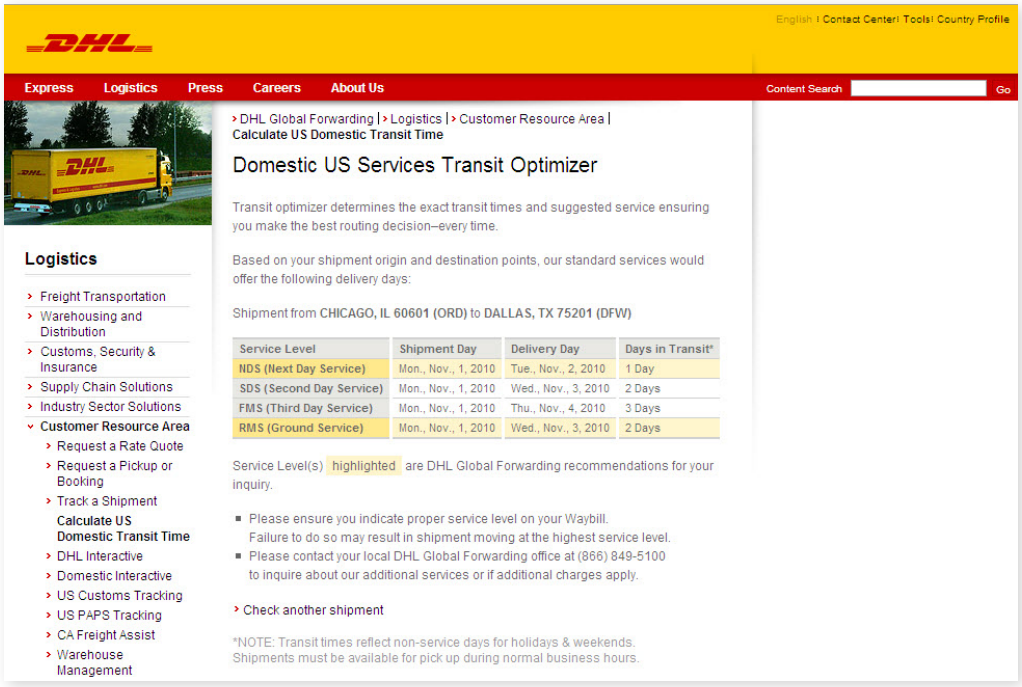
TIME DEFINITE? DEFINITELY.

At DHL Global Forwarding, transparency of pricing and services is the foundation of our business philosophy. That's why all of our domestic heavyweight services are backed by a confirmed transit time commitment. From coast to coast expedited, off-shore multi-modal services, and everything in between, DHL surface solutions deliver.

- Day Definite LTL
- Exclusive Use Vehicles
- Specialized Equipment
- Alaska & Hawaii Multi-Modal Service



Domestic US Services Transit Optimizer
Transit optimizer determines the exact transit times and suggested service ensuring you make the best routing decision–every time.

At DHL Global Forwarding, we understand that time is a valuable resource. That's why we've developed a suite of flexible and customized heavyweight shipping solutions designed to accommodate your schedule, not ours. At your service 24x7x365, we're here whenever you need us.

Definitely.
